MOTION REQUEST FOR ENLARGEMENT OF TIME
CRIMINAL RULE 45 (B)

Now comes Craig Michael Kirk, Pro Se a voluntary expatriate, Practicing Hebrew non-citizen of the united state, visits this Honorable court specially and not generally herein. The accused believes the court has set a hearing date for 7, October 2007 A.D. Craig Michael Kirk moves the court for more time because this date is so burdensome and a rush to judgment against the accused that it takes a lot of money to move the court.

I respectfully request an enlargement of time 45 days of time from the date of the hearing set by this court. The bases for the request is, everyone except Craig Michael Kirk in this case is paid by the state, subsequently I have to produce 3 times as much in the national economy in order get equal protection due process under the law.

I need this time so that I can purchase a paid subscription from either from West Law or Lexis. I also have to pay rent at my repair shop, buy parts, feed my family, pay lot rent, and purchase home school materials for my offspring. This motion for Time Enlargement is also needed because I intend to answer said complaint so the record truly reflects all the real facts and merits of this case. Craig Michael Kirk looks forward to hearing from the people and the court on this matter herein.
